## Real Estate

We stare at the shadows on the sidewalk
They're moving on flowers rendered in chalk
The day is young but I'm already spent
I have no idea where that time wentCross the kitchen floor
Steal out the back door
Past the monument
I'll meet you where the pavement endsCross the kitchen floor
Steal out the back door
Past the monument
I'll meet you where the pavement endsI stare at the hands on the clock
I'm still waiting for them to stop
The earliest light is just shinning in
And I've no idea where the days been
