

# Move It On Over

George Thorogood

I come in last night about half past ten  
That baby of mine wouldn't let me in  
So move it on over, rock it on over  
Move over little dog, the mean old dog is movin' in  
She told me not to mess around  
But I done let the deal go down  
Move it on over, rock it on over  
Move over nice dog, a big fat dog is movin' in  
She changed the lock on my back door  
Now my key won't fit no more  
Move it on over, rock it on over  
Move over nice dog, the mean old dog is movin' in  
She threw me out just as pretty as she pleased  
Pretty soon I'll be scratchin' fleas  
Move it on over, slide it on over  
Move over nice dog, a mean old dog is movin' in  
Yeah, listen to me dog before you start to whine  
That side yours and this side mine  
So move it on over, rock it on over  
Move over little dog, the big old dog is movin' in  
Yeah, she changed the lock on my back door  
Now my key won't fit no more  
Move it on over, rock it on over  
Move over little dog, the big old dog is movin' in  
Move it on over, move it on over  
Move it on over, won't'cha rock it on over  
Move over cool dog, the hot dog's movin' in
