

Drugs ft. Brian & Brandon Casey of Jagged Edge

Fresco Kane

I swear this girl the numb, dem hoâ€™s got nothing on her, seems like the type of chic u see me with while bendin
corners, By looking at her dance, No I canâ€™t help but tip her,
No I canâ€™t save em all, but I retired me a stripper
She got good education, n plus she still in school,
She got good conversation, n plus she say Iâ€™m cool
I dun won a couple points, dat I can see by how she twerkin
For me, sheâ€™s from the Chi, canâ€™t deny she got me in my glory,
Just keep that pussy poppin, Iâ€™ll keep these bottles poppin
Feel like we the only ones up in this room like ainâ€™t nobody
Watchin, Sheâ€™s a pro on the pole I just look at her go she go low as she go low, so I love her some more
Feels like Iâ€™m on drugs when I see her
