

Last Call

The Saturdays

The sun goes down
And that's the time that
It hurts so bad
I feel the weight of the love we had

I can't move on
Without you and
I've lost myself
You're like a habit that
I can't help

No I can't hide
From this feeling
Don't you know

I would wait for you
I would wait all night
Just the thought of you
Before I close my eyes
It's too late
I can't take anymore
(I can't take anymore)

And I can't let it go
And I can't forget
All that I'm left holding is my regret
And it feels like we could've had it all
You're still my last call

We don't change
We still talk every single day
Even though there's nothing much left to say

Ooh and I have tried
All that I can but I can't break free
There's no denying you're a part of me
That I can't throw away
Ooh

I would wait for you

I would wait all night
Just the thought of you
Before I close my eyes
It's too late
I can't take anymore
(I can't take anymore)
Oh

And I can't let it go
And I can't forget
All that I'm left holding is my regret
And it feels like we could've had it all
And you're still my last call
You're still my last call

The last thing I do
The last thing I say
The last thing I do

The last thing I do
The last thing I say
The last thing I do

Is hear your voice
Say "I love you"

I would wait for you
I would wait all night
Just the thought of you
Before I close my eyes
It's too late
I can't take anymore
(I can't take anymore)

And I can't let it go
And I can't forget
All that I'm left holding is my regret
And it feels like we could've had it all
You're still my last call
You're still my last call
Oh
