

# We Made a Mountain

## The Mynabirds

We made a mountain  
Out of a minute  
Then we let it stand in our way  
I called your name from the other side  
But you couldn't hear it for the mountain we made  
We rolled around on the roads of misfortune  
Then we asked how we got to this place  
I could be wrong  
But I swear I recall  
Every crossroad and the paths we paved  
And I hope you're happy at the end of the day  
I hope you're happy today  
No, regret doesn't undo a single thing  
And I hope you're happy today  
If we could go back  
To the beginning  
And roll the first stone away  
We might not have  
Any wall between us  
But you wouldn't have the kingdom you made
