Scared Of Happy

Fifth Harmony

It's been a while since I was lost for words
Need I wasn't static and stutters
I never knew a love that doesn't hurt
Feeling the heat and the burnJust give me one good reason
Drop everything and leave it
Seconds away from turning this car back around
Something about your feeling, pushing and pulling me in
And now my walls fall downUsually fearless, why am I scared of happy?
Usually fearless, why am I scared of happy?
I'm afraid of nothing, I'm afraid of no one
Used to be fearless, why am I scared of happy?
Scared of happyThere is something good in sticking to your guns
No one to blame but yourself
I take a step back and I breathe for once
This is what I wantYou give me one good reason
Drop everything and leave it
Seconds away from pulling the bell beside your door
Something about your feeling, pushing and pulling me in
That's why I come back for moreUsually fearless, why am I scared of happy?
Usually fearless, why am I scared of happy?
I'm afraid of nothing, I'm afraid of no one
Used to be fearless, why am I scared of happy?
Scared of happyWhen it all goes down, when it all goes down
Will you still be around?
I'm coming back, no more running awayUsually fearless, why am I scared of happy?
Usually fearless, why am I scared of happy?
I'm afraid of nothing, I'm afraid of no one
Used to be fearless, why am I scared of happy?Why am I scared of happy? (Scared of happy)
Why am I scared of happy? (Scared of happy)
Why am I scared of happy? (Scared of happy)
Why am I?Used to be fearless, why am I scared of happy?
Usually fearless, why am I scared of happy?
I'm afraid of nothing, I'm afraid of no one
Used to be fearless, why am I
Why am I scared of happy?
