

# Sensitivity (Ralph's Rap)

## Ralph Tresvant

Listen baby don't even waste your tears on an insensitive man  
There's a better place for you  
I mean what you really need is someone who cares  
Someone who's gonna be there for you, someone like me  
Someone with sensitivity

Girl, I know it's been hard since he went away  
And left you so sad you cry everyday  
Let me kiss your tears erase all your doubts  
Because for you I'm here, you won't be without love

Don't need a man that'll give you money  
Come on let me show you just what you need honey (I got what you need)  
You don't need a man that'll treat you wrong  
You need a man with sensitivity (a man like me)

Someone who can love you  
Someone who will need you  
Someone who will treat you right (like me girl)  
Someone who will hold at night  
Someone stable in your life (ah baby)  
You need a man with sensitivity  
A man like me (baby)(honey)  
Baby and I'm the man (ah you no, you no)  
Baby like i do baby (hang in their baby)  
You need a man with sensitivity  
A man like me

See you need someone who's there like a gentleman  
If anybody can fit the description baby I can  
Someone who cares and dares to give himself completely  
You got it in me you need a man with sensitivity

You need a man, not any man  
Warm and sensitive that's what I can give  
You need a man, not any man  
Warm and sensitive that's what I can give  
You need a man, not any man  
Warm and sensitive that's what I can give  
Man with sensitivity

A man like me

Don't need a man that'll give you money  
Come on let me show you just what you need honey (I got what you need)  
You don't need a man that'll treat you wrong  
You need a man with sensitivity (a man like me)

Save a little love for me (sensitivity)  
Baby I got what you need (I got it)  
Man with sensitivity  
A man like me

Hold on my darling  
Don't let me down
