

Have Yourself A Merry Little Christmas

[Emmy Rossum](#)

Christmas future is far away
Christmas past is past
Christmas present is here today
Bringing joy that will last
Have yourself a Merry Little Christmas
Let your heart be light
From now on our troubles will be out of sight
Have yourself a Merry Little Christmas
Make the yuletide gay
From now on our troubles will be far away
Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more
In the years we all will be together
If the fates allow
And the shining star will climb the highest bar
And have yourself a Merry Little Christmas now
