Life Is Too Short

Caliban

Dead end and no way back
Walls came crashing down on me
Whatever I try, whatever I do
My mind will go insaneChange is the headline and I am reborn
And all the crying, all the mourning is gone
I woke up with a new view of life
I don't know what has happened to the past[Chorus]
Life, life is too short to think all through
Life, life is too short to waste it allSo listen to your heart
And help your dreams to come trueLife is too shortToo many dreams kept in the dark
Too many dreams kept in the dark
Too many wishes are blown away for nothingA new time, a new chance, I am a rising star
I am back, I will fight, I will love again
I woke up with a new view of life
I don't know what has happened to the past[Chorus]Life is too short
