

# A Fool For You

## Stevie Wonder

I know you told me  
Such a long time ago  
Oh that you didn't want me girl  
You didn't love me no moreI want to know  
Oh, what makes me love you the way I do  
Like a fool for you  
I say, I'm a fool for youI know you told me  
You didn't want me `round  
But I know girl  
You got a man way `cross townSo I know it's something  
Oh, what makes me love you the way I do  
Must be that I'm a fool for you  
Such a fool for youDid you ever wake up in the morning  
Just about the break of day  
Nothing on your mind  
But love love sweet love  
Where your baby used to lay  
Then you put on your crying  
Like you never cried before  
Even cry so loud, yeah  
You give the blues to your neighbor next door  
Ever since you were five years old  
I been a fool for you, little girl  
Way down in my soul  
I'm a little fool for youSo I know it's something  
Oh, oh, Lord  
I'm a fool for you
