Diamond

Joan Armatrading

I'll ride I'll ride I'll ride
The seven seas
I'll ride I'll ride I'll ride
The seven seas
I'll ride I'll ride I'll ride
The seven seas
For youI'll climb I'll climb I'll climb
The highest peak
I'll climb I'll climb I'll climb
The highest peak
I'll climb I'll climb I'll climb
The highest peaks
For youI'll chase I'll catch I'll bring the moon to you
There's not a thing you know I wouldn't do
I'll beat of any challenger who tries to
Steal
You
Away
From me
YehEverywhere and in between I see your face baby
Everything I do
I do to make you happy
Maybe I try to hard
But I can't resist
Such a beautiful face
Such a beautiful faceYou're fine you're fine
You're fine you're fine
Every part of you is like a diamondPrecious to have
Expensive to keep
But the night's treasures
Is alright by me
YehDa da da ...A part of me will always be with youI don't mind the weather
I don't mind the rain fallingIt doesn't matter if it's sunny
Or there's clouds up above
I'll take a chance and I'll predict
That we will always be in love
Whatever life throws us we will catch
We will catch with a glove
I've got a hunger for you baby

I just can't get enough.I don't mind the weather
I don't mind the rain falling
As long as I'm with youI'll ride I'll ride I'll ride
The seven seas
I'll ride I'll ride I'll ride
The seven seas
For youYou're fine you're fine
You're fine you're fine
Every part of you is like a diamondPrecious to have
Expensive to keep
But the night's treasures
Is alright by meEverywhere and in between I see your face baby
Everything I do
I do to make you happy
Maybe I try to hard
But I can't resist
Such a beautiful face
Such a beautiful faceYou're fine you're fine
You're fine you're fine
Every part of you is like a diamondPrecious to have
Expensive to keep
But the night's treasures
Is alright by me
