

Diamond

Joan Armatrading

I'll ride I'll ride I'll ride
The seven seas
I'll ride I'll ride I'll ride
The seven seas
I'll ride I'll ride I'll ride
The seven seas
For you I'll climb I'll climb I'll climb
The highest peak
I'll climb I'll climb I'll climb
The highest peak
I'll climb I'll climb I'll climb
The highest peaks
For you I'll chase I'll catch I'll bring the moon to you
There's not a thing you know I wouldn't do
I'll beat of any challenger who tries to
Steal
You
Away
From me
Yeh Everywhere and in between I see your face baby
Everything I do
I do to make you happy
Maybe I try to hard
But I can't resist
Such a beautiful face
Such a beautiful face You're fine you're fine
You're fine you're fine
Every part of you is like a diamond Precious to have
Expensive to keep
But the night's treasures
Is alright by me
Yeh Da da da ... A part of me will always be with you I don't mind the weather
I don't mind the rain falling It doesn't matter if it's sunny
Or there's clouds up above
I'll take a chance and I'll predict
That we will always be in love
Whatever life throws us we will catch
We will catch with a glove
I've got a hunger for you baby

I just can't get enough.I don't mind the weather
I don't mind the rain falling
As long as I'm with youI'll ride I'll ride I'll ride
The seven seas
I'll ride I'll ride I'll ride
The seven seas
For youYou're fine you're fine
You're fine you're fine
Every part of you is like a diamondPrecious to have
Expensive to keep
But the night's treasures
Is alright by meEverywhere and in between I see your face baby
Everything I do
I do to make you happy
Maybe I try to hard
But I can't resist
Such a beautiful face
Such a beautiful faceYou're fine you're fine
You're fine you're fine
Every part of you is like a diamondPrecious to have
Expensive to keep
But the night's treasures
Is alright by me
