Pressed Against The Sky

Toadies

If this is a dream, I'm happy you're having it with me
I will stay and savor the way you move me
Don't want to miss one detail, one sweet smile from your lips
One kiss sets me adrift, alright, yeah
Chase the stars as they fall down and light up where you are
They are yours, yours for keeping
Trace the curve of the sheets, a riddle of desire

When I watch you, when I watch you sleeping, yeah
Pressed against the sky, eyes wide open
Pressed against the sky, pressed against the sky, yeah
Eyes wide open, yeah, yeah, eyes wide open, yeah, yeah, yeah
Eyes wide open, yeah, yeah, yeah, eyes wide open
