Fat Freddy's Drop

Tell me.
Tell me.
Tell me.
You gotta tell me.Tell me.
Tell me.
Ooh, you gotta tell me. [Tell me]
Ooh [Tell me-],
Tell me what's the world with no soul?Ooh, you gotta tell me,
Ooh.
Tell me what's the world with no soul?
I'm gonna need to know.
Ooh, what would it be?
Tell me what would it be, with no soul.
[What would it be?][Would it- Would it- Would it be][-with no soul]Tell me what's the world with no soul.
Oh.
Tell me what's the world with no soul,
Oh, so, cold.Tell me what's the world with no soul.
Woah, woah, woah.
Tell me what's the world with no soul,
Oh, so, cold.Tell me what's the world with no soul.
[Tell me, you gotta tell me]
Tell me what's the world with no soul,
Oh, so, cold.
Tell me what's the world with no soul,
No, no, ooh.
Tell me what's the world with, yeah, a-no soul,
Please, tell me what the world is, yeah.You gotta tell me, oh, oh,
Tell me what's the world is, yeah.
You gotta tell me,
Tell me what's the world is, yeah.World to me, is, more than evolution,
More than money, more than technology.
I believe, that there's more than evolution,
Like you can change your mind, but you can't change your destiny, no.Blood is blood, and thicker than water.
[Mm mm]
Men will die, to live forever. [Ooh, ooh]
Race is on, and I could be standing still,
'Cause I have faith in something more than my will,
Ooh, soul.
Yeah-eah-eah-eah, soul, yeah.Tell me what's the world with no soul?

Ooh, yeah-eah-eah-eah, soul, yeah-.
