

All I Ask Of You

Cliff Richard

No more talk of darkness, forget these wide eyed fears
I'm here, nothing can harm you, my words will warm and calm you
Let me be your freedom, let daylight dry your tears'
I'm here with you, beside you to guard you and to guide you Say, you love me every waking moment
Turn my head with talk of summertime
Say, you need me with you now and always
Promise me that all you say is true, that's all I ask of you Let me be your shelter, let me be your light
You're safe no one will find you, your fears are far behind you All I want is freedom, a world with no more night
And you always beside me, to hold me and to hide me Then say, you'll share with me one love, one lifetime
Let me lead you from your solitude
Say, you want me with you here beside you
Anywhere you go, let me go too, that's all I ask of you Say, you'll share with me one love, one lifetime Say, the
word and I will follow you
Share each day with me, each night, each morning Say you love me
You know I do Love me, that's all I ask of you
Love me, that's all I ask of you
