

# Paper Pieces

Michelle Branch

Da da n da n da n da n  
Da n da da n da da da da  
Call your name today  
But no one answers anymore  
You turned and ran away  
Like someone came and locked the door  
Paper pieces lying on the floor  
I follow pieces now, the coffee's black, my heart is sore  
Pick me up tape me together  
Da da da da da  
Like paper pieces on the floor  
Da da n da n da n da n  
Da n da da n da da da da  
Since you left that day  
I realize my minds made up on you  
My heart is capsized  
And I don't know what I'm gonna do  
Pick me up tape me together  
Da da da da da  
Like paper pieces on the floor  
  
Pick me up tape me together  
Da da da da da  
Like paper pieces on the floor  
Paper pieces on the floor  
And I call out to you  
But you turn yes you turn away  
Da da n da n da n da n  
Da n da da n da da da da  
Called your name today  
But no one answers anymore  
Pick me up tape me together  
Da da da da da  
Like paper pieces on the floor  
Pick me up tape me together  
Da da da da da  
Like paper pieces on the floor  
Paper pieces on the floor  
Call me call me

Paper pieces on the floor  
Call me call me
