Parade

Kevin Morby

If you come to find out who you are
I know you find out, now you find out who you are
And if you come to search for what is lost
I know you find it, I know you find it at any cost
And if you come over far,
Never I'd touch you or ever do you harm
And if you come oh so soft
You may look up one day and you'll be heard
If I were to die today,
Slaughtered in that masquerade
The last thing that you'd hear me say
Put my body on display
In the PARADE
Passing slowly through the town
My feet taking I, touch the ground
Of the PARADEAll my friends were there
Waiting on me
All the glory was there
Waiting on me
And I was there
Waiting on me
I've come my way home
Just to stay in
If I were to die today,??? in that great charade
The last thing that you'd hear me say
Is bury me in different shapes
Of the PARADE
Passing slowly through the town
My feet taking I, touch the ground
Going up, you go but I just found
Never leave this, never leave this town
Of the PARADE
