Tonight Tonight

Rascal Flatts

Ain't nothin' better than anticipation
Tonight's been playin' over in my head
I've had enough of all the expectations
Waitin's the hardest part like Tom Petty saysWe cuttin' loose like we're on a mission
Them stars are shining, it's a perfect night
I swear you lookin' like a moonlit vision
It's takin' over, and I won't fightThat's because tonight, tonight been waitin' to see you
Tonight, tonight, we can't go wrong
It feels so right just bein' here with you
We've been waitin' for this moment all day longTonight, tonight, tonight
TonightThe room is spinnin' like a disco ball
Everybody's dancin', it's a party y'all
You move yourself and that graffiti sky
Gives you that feeling everything's gonna be alrightWe just got rockin', now we're rollin, rollin'
Ain't goin' home until they're closin', closin'
We'll see the sun before you know it, know it
And we won't wanna say goodbyeThat's because tonight, tonight been waitin' to see you
Tonight, tonight, we can't go wrong
It feels so right just bein' here with you
We've been waitin' for this moment all day longTonight's the night you've waited all week for
You're gonna take it 'til you just can't take no more
You better not wait up for meTonight, tonight, tonight
Oh, tonight, tonight, tonightThat's because tonight, tonight been waitin' to see you
Tonight, tonight, we can't go wrong
It feels so right just bein' here with you
We've been waitin' for this momentThat's because tonight, tonight been waitin' to see you
Tonight, tonight, we can't go wrong
It feels so right just bein' here with you
We've been waitin' for this moment all day longTonight, tonight
Tonight, tonight
Tonight, tonight
Tonight, tonight
