Tonight Tonight

Rascal Flatts

Ain't nothin' better than anticipation

Tonight's been playin' over in my head

I've had enough of all the expectations

Waitin's the hardest part like Tom Petty saysWe cuttin' loose like we're on a mission

Them stars are shining, it's a perfect night

I swear you lookin' like a moonlit vision

It's takin' over, and I won't fightThat's because tonight, tonight been waitin' to see you

Tonight, tonight, we can't go wrong

It feels so right just bein' here with you

We've been waitin' for this moment all day longTonight, tonight, tonight

TonightThe room is spinnin' like a disco ball

Everybody's dancin', it's a party y'all

You move yourself and that graffiti sky

Gives you that feeling everything's gonna be alrightWe just got rockin', now we're rollin, rollin'

Ain't goin' home until they're closin', closin'

We'll see the sun before you know it, know it

And we won't wanna say goodbyeThat's because tonight, tonight been waitin' to see you

Tonight, tonight, we can't go wrong

It feels so right just bein' here with you

We've been waitin' for this moment all day longTonight's the night you've waited all week for

You're gonna take it 'til you just can't take no more

You better not wait up for meTonight, tonight, tonight

Oh, tonight, tonight, tonight because tonight, tonight been waitin' to see you

Tonight, tonight, we can't go wrong

It feels so right just bein' here with you

We've been waitin' for this momentThat's because tonight, tonight been waitin' to see you

Tonight, tonight, we can't go wrong

It feels so right just bein' here with you

We've been waitin' for this moment all day longTonight, tonight

Tonight, tonight

Tonight, tonight

Tonight, tonight
