

Nihilism

The Max Levine Ensemble

Come into the union district
Drive down on sharmoon palms
White ghettos paint a picture
Broken homes and broken bones
I was so full of scotch I could not stand up
I was hittin the shots and I moved to a cup
Release me from moral assumption
Total rejection total destruction
Nihilistic feelings are moving if I try real hard
I'll see right through them Nihilism! Walkin a path of self destruction
Not affected by the repercussions
Lady on the billboard offer me a drink
Said not right now I need time to think
Nihilistic feelins are movin
If you try real hard
You'll see right through them I was so full of scotch I could not stand up
I was hittin the shots and I moved to a cup
White ghettos paint a picture
Broken homes and broken bones
