I can feel the sunlight  
I love the morning sunlight  
I can feel the sunlight  
After the party tonight  
You turn gray skies intoThe summer is here  
It's the anthem for y'all  
I'm riding my car  
With the top down and the wind blowTurn this up and let's celebrate  
We can't wait until the springbreakEverybody's swimming  
Backyard full of women  
Come on let sunlight in your heartI can feel the sunlight  
I love the morning sunlight  
I can feel the sunlight  
After the party tonight  
You turn gray skies intoThe summer is here  
It's the anthem for y'all  
I'm riding my car  
With the top down and the wind blowsTurn this up and let's celebrate  
We can't wait until the springbreakEverybody's swimming  
Backyard full of women  
Come on let sunlight in your heart
