

# Tim McGraw

## Taylor Swift

You said the way my blue eyes shined  
Put those Georgia stars to shame that night  
I said, "That's a lie"  
Just a boy in a Chevy truck  
That had a tendency of gettin' stuck  
On backroads at night  
And I was right there beside him  
All summer long  
And then the time we woke up to find  
That summer'd gone  
But when you think Tim McGraw  
I hope you think my favorite song  
The one we danced to all night long  
The moon like a spotlight on the lake  
When you think happiness  
I hope you think that little black dress  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me  
September saw a month of tears  
And thankin' God that you weren't here  
To see me like that  
But in a box beneath my bed  
Is a letter that you never read  
From three summers back  
It's hard not to find it all  
A little bitter sweet  
And lookin' back on all of that  
It's nice to believe  
When you think Tim McGraw  
I hope you think my favorite song  
The one we danced to all night long  
The moon like a spotlight on the lake  
When you think happiness  
I hope you think that little black dress  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw

I hope you think of me  
And I'm back for the first time since then  
I'm standin' on your street  
And there's a letter left on your doorstep  
And the first thing that you'll read  
Is when you think Tim McGraw  
I hope you think my favorite song  
Some day you'll turn your radio on  
I hope it takes you back to that place  
When you think happiness  
I hope you think that little black dress  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me  
Oh, think of me, mmm  
You said the way my blue eyes shined  
Put those Georgia stars to shame that night  
I said, "That's a lie"
