

# Looking 4 Myself (feat. Luke Steele)

Usher

Walking with my head down  
Counting every step  
Hoping that the next one  
Brings me closer to the man I was  
'Cause I was way better  
Maybe it's because  
We were together I said I'm looking for myself  
And I still can't find me  
That's right, I'm looking for myself  
Who am I, someone remind me  
I'm looking for myself  
All my life I'm searching  
I said I'm looking for myself  
And somehow I ran right into You  
(Looking for myself)  
You  
(I, I I, I I I)  
You  
(Looking for myself) And somehow I ran right into you Escapin' on the tightrope  
Trying not to fall  
If I don't keep my balance  
I know, I will lose it all  
I, I should have known better  
And it's all my fault  
That we're not together I said I'm looking for myself  
And I still can't find me  
That's right, I'm looking for myself  
Who am I, someone remind me  
I'm looking for myself  
All my life I'm searching  
I said I'm looking for myself  
And somehow I ran right into You  
(Looking for myself)  
You  
(I, I I, I I I)  
You  
(Looking for myself) And somehow I ran right into you, girl I was on a journey,  
Tryin' to figure out who I really was  
Then I realized that,

When you're not here,  
Half of me is gone  
So in order for me to find me,  
I had to find you  
You know  
(You)  
And I got a funny feeling that  
You want more, you are  
Unless you find me  
It's like, you look in the mirror  
And you see the person that you truly love I said I'm looking for myself  
And I still can't find me  
That's right, I'm looking for myself  
Who am I, someone remind me  
I'm looking for myself  
All my life I'm searching  
I said I'm looking for myself  
And somehow I ran right into You  
(Looking for myself)  
You  
(I, I I, I I I)  
You  
(Looking for myself) And somehow I ran right into you  
You  
Hey, looking for myself  
(I I, I I, I I I)  
And somehow I ran right into you
