

# Mixed Bizness

## Beck

I'm mixing business with leather  
Christmas with heather  
Freaks flock together  
And make all the B boys screamAll right  
(All right)  
Turn it up now  
(Turn it up now)  
All right  
(All right)  
Turn it up nowWord up to the man thing  
She's always cold lamping  
Visine at the canteen  
I just wanna watch you danceAll right  
(All right)  
Turn it up now  
(Turn it up now)  
All right  
(All right)  
Turn it up nowDo you wanna ride on the Baltic sea?  
I'll be your mistress C.O.D  
I'll comb your hair re-write your diary  
Pour champagne on a honeybee(She can really do me)  
(She can really do me)  
(She can look right through me)  
(And make all the big boys scream)All right  
(Do you wanna [Incomprehensible]?)  
All right  
(There's a [Incomprehensible] in the ladies room)  
All right  
(All the peoples that make it)  
All right  
(And the [Incomprehensible])I'm mixing fitness with leather  
Homework with heather  
Freaks flock together  
And make all the lesbians screamAll right  
(All right)  
Turn it up now  
(Turn it up now)  
All right

(All right)  
Turn it up now Do you wanna ride on the Baltic sea?  
I'll be your mistress C.O.D  
I'll comb your hair re-write your diary  
Pour champagne on a honeybee (She can really do me)  
(She can really do me)  
(She can look right through me)  
(And make all the big boys scream) (All right)  
(All right)  
(All right)  
(All right)
