

Beautiful Ways

Pat McGee Band

I'm not a savior so do me a favor stop and see me sometime
Don't need you to save me I'm ready to break free
Just need somebody to say
You know you're never too far away
You know you're never too far away[Chorus]
Help me because I'm off the radar screen
Help me because you know just where I've been
Help me because I've lost my faith
Help me mend my broken ways
But I just can't help myself
Have you lost your beautiful ways
You lost your beautiful waysYou started out lovely but some how you changed me
Thought it'd be easy to see
I came to you lonely
Somehow I won't be
Walking this line along with you
You know that you're never too far away
Oh you're never too far away[Chorus]It's occurred to me that you won't be hanging around
I guess I don't mind cause you always put me down
But I never thought I'd see you on the ground
And you're supposed to save me?(Help me cause I'm off the radar screen
Help me cause you know just where I've been)[Chorus]You lost your beautiful ways
You lost your beautiful ways
