Take Me Away

BarlowGirl

Pushing my way through these crowded streets
Trying not to be swept away
Fighting just to keep this crowd
From hiding you another daySo maybe this time I'll find you
Maybe this time I'll push through
To see you today, todayWon't you take me away, won't you take me away?
'Cause I need some time to get away
Where only you could ever take me away
Away, away, awayToo many days I've been distracted
Watch these crowds push you away
I'm so tired of feeling empty
Without you, I waste these daysSo maybe this time I'll find you
Just don't stop calling me to you
I'll find my way todayWon't you take me away, won't you take me away?
'Cause I need some time to get away
Where only you could ever take me away
Away, away, awayMaybe this time I'll find you, yeah
Find you today, todayWon't you take me away, won't you take me away?
'Cause I need some time to get away
Where only you could ever take me away
Away, away, away
