

The Chain

Tantric

Listen to the wind blow
Watch the sun rise
Run in the shadows
Damn your love, damn your liesAnd if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chainAnd if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chainListen to the wind blow
Down comes the night
Run in the shadows
Damn your love, damn your lies
Break the silence
Damn the dark, damn the lightAnd if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chainAnd if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chainAnd if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chainAnd if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chainChain, street past together
Running in the shadow
Chain, street past together
Running in the shadow
Chain, street past together
Running in the shadow
Chain, street past together
Running in the shadowChain, street past together
Running in the shadow
Chain, street past together
Running in the shadow
Chain, street past together
Running in the shadow

Chain, street past together
Running in the shadow
Chain, street past together
Running in the shadow
