Through Being Cool

Devo

We're through being cool Eliminate the ninnies and the twits Going to bang some heads Going to beat some butts Time to show those evil spuds what's what If you live in a small town You might meet a dozen or two Young alien types who step out And dare to declare Spank the pank who try to drive you nuts Time to clean some house Be a man or a mouse Waste those who make it tough to get around If you live in a big place Many factions underground Chase down mister hinky dink So no trace can be found Put the tape on erase Rearrange a face We always liked Picasso anyway Mash 'em
