

Operate, Annihilate

Powerman 5000

I wanna be everybody
I wish that I wasn't me
I was dropped from out of sight
I always land on my feet
I was bit by the bug, grew forty-seven foot tall
I wasn't who I thought I was
I wasn't anything at all I wanna be everybody
I wish that I wasn't me
I'm the bones of the dead
Super hero trustee
Not seven minutes have past
(Mmm)
And everybody got blasted
(Mmm)
Operate annihilate and everything is alright
(Mmm)
Alright
It's aah
Alright Operate, annihilate
Operate, annihilate
Non stop sound violate 'cause what you've got is wrong
Operate, annihilate
Operate, annihilate
What you got, you got too late, cause everybody's gone I wanna be everybody
I wish that I wasn't me
The point furthest from is from a point of view less likely
You were the King of the Moon
Now you just lie in the dirt
Where is the fist of fury?
Now everybody gets hurt I want to be everybody
I wish that I wasn't me
The real truth is in the head of truth is insanity
Not seven minutes have past
(Mmm)
And everybody got blasted
(Mmm)
Operate annihilate and everything is alright
(Mmm)
Alright

It's aah
Alright Operate, annihilate
Operate, annihilate
Non stop sound violate 'cause what you've got is wrong
Operate, annihilate
Operate, annihilate
What you got, you got too late, cause everybody's gone Operate, annihilate
Operate, annihilate
Non stop sound violate 'cause what you've got is wrong
Operate, annihilate
Operate, annihilate
What you got, you got too late, cause everybody's gone
Gone Operate, annihilate
Operate, annihilate
What you got, you got too late, cause everybody's gone
They're gone
They're gone
They're gone
