

Could Be

Corte Real

Could be, it is my mistake
Could be, that I'm here too late
Could be, there's a hole in my wonderful world I know, that there's something wrong
You said, that you'd be along
But now, I can see that you're not gonna come Sitting in this room with these people
It's just like a fantasy
Loneliness in such a crowd, I can see Could be, it is my mistake
Could be, that I'm here too late
Could be, there's a hole in my wonderful world Everyone I meet seems to be a part of the conspiracy
Looking at me with those searching eyes
Can they see? Could be, it is my mistake
Could be, that I'm here too late
Could be, there's a hole in my wonderful world In my world
Ooh in my world
