

# Where Did the Party Go

## Fall Out Boy

Na, na, na, na, na, na,  
Na, na, na, na, naNa, na, na, na, na, na,  
Na, na, na, na, naI'm here to collect your hearts,  
It's the only reason that I sing  
I don't believe a word you say,  
But I can't stop listeningThis is the story of how they met,  
Her picture was on the back of a pack of cigarettes,  
And when she touched him he turned ruby red  
A story that they'll never forget  
Never forgetAnd all the boys are smoking Menthol's,  
Girls are getting back rubs,  
I will drift to you if you make yourself shake fast enoughMy old aches become new again  
My old friends become ex's againOh where did the party go?  
We were ending it on the phone  
I'm not gonna go home alone  
Where, where did the party go?Na, na, na, na, na, na  
Na, na, na, na, naNa, na, na, na, na, na  
Na, na, na, na, na, yeahI know I expect too much  
And not enough all at once  
You know I only wanted fun  
And you got me all fucked up  
Oh noI looked for your name on the Ouija board  
And you're making magic oh dear lord  
You and me are the difference between real love  
And the love on TV, love on TVAnd all the boys are smoking Menthol's,  
Girls are getting back rubs,  
I will drift to you if you make yourself shake fast enoughMy old aches become new again  
My old friends become ex's again, yeahOh where did the party go?  
We were ending it on the phone  
I'm not gonna go home alone  
Where, where did the party go?Na, na, na, na, na, na  
Na, na, na, na, naNa, na, na, na, na, na  
Na, na, na, na, naAll the kids who screamed (we weren't the same)  
In sweaty rooms  
Now we're doomed to organizing walk-in closets like tombsSilent film stars stuck in talking cinema light  
So let's fade away together one dream at a timeNa, na, na, na, na, na,  
Na, na, na, naNa, na, na, na, na, na,  
Na, na, na, naOh where did the party go?  
We were ending it on the phone

I'm not gonna go home alone  
Where, where did the party go?Na, na, na, na, na, na,  
Na, na, na, naNa, na, na, na, na,  
Na, na, na, naNa, na, na, na, na,  
Na, na, na, naNa, na, na, na, na,  
Na, na, na, naNa, na, na, na, na,  
Na, na, na, naNa, na, na, na, na,  
Na, na, na, naNa, na, na, na, na,  
Na, na, na, na
