

Sir Rockaby

Frank Black

You've got a sad face
You don't show it
An' you're smilin' it too
Even in deep, deep outer space
There's somethin' for you I'm Sir Rockaby
An' rockin' I am
I'm Sir Rockaby
Rockin' I am The world is a rock
That's spinnin' so fast
It'll give you jim-jams
I'm just a real love diplomat
Won't give you no flim-flams I'm Sir Rockaby
An' rockin' I am
I'm Sir Rockaby
Rockin' I am How many stars girl
Can you both count?
An' then classify
I'm standing here
In this big swirl
Singin' this lullaby I'm Sir Rockaby
Rockin' I am
I'm Sir Rockaby
Rockin' I am
Sir Rockaby
