Play With Me

Insane Clown Posse

Every year it's more of us and all we do is fill the box
You might play with me at first, a couple days, a week at tops
Just like your atomic supersonic retro plasma car
We will all get tossed inside just like the piece of shit we areI will be your fantasy, imaginary special friend
I can fill you right with light with you no need to talk to them
But instead you toss me in the box, leave me to rot away
Hoping you'll pick me again somedayWhy don't you come play with me and take me to the other side
(Take me to the other side)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)Why don't you come play with me and take me to the other side
(Take me to the other side)
Lost under Ann Raggedy, it's lonely when your locked in sideI will sit and listen to your bibble babble jibber talk
But when you go in tonight, you'll leave me out here on the walk
You'll ignore your little friend or trade me for somethin' instead
Please come get your doggie, don't let him chew up my fuckin' legAll your mom and daddy do is work and fight, that's all they do
I can understand the way you feel because I feel it too
But you'll leave me in the box and I can barely hear you play
Lost among the toys of yesterdayWhy don't you come play with me and take me to the other side
(Take me to the other side)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)Why don't you come play with me and take me to the other side
(Take me to the other side)
Lost under Ann Raggedy, it's lonely when your locked in sideBoys and girls, fuck that old crusty shit
Come down and get your brand new, ha
Shiny slimy, atomic shit head
Super duper
Right
Sonic, sonic
RightI can see you near the bed when I look through this tiny crack
You've become much older now and I don't see you turning back
Seven years in darkness I can only hope my wish comes true
That one day I'll get you in my hands and I'll play with youWhy don't you come play with me and take me to the other side
(Take me to the other side)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)Why don't you come play with me and take me to the other side
(Take me to the other side)

Lost under Ann Raggedy, it's lonely when your locked in sideWhy don't you come play with me and take me to the other side
(It can be so lonely)
(It can be so lonely)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)
(It can be so lonely)Why don't you come play with me and take me to the other side
(It can be so lonely)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)Why don't you come play with me and take me to the other side
(It can be so lonely)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)Why don't you come play with me and take me to the other side
(It can be so lonely)
Lost under Ann Raggedy, it's lonely when your locked in side
(It can be so lonely)
