

# Science Friction

## DJ Friction

I look out of my window at night  
I see the stars and I'm filled with fright  
I got a feeling someone's looking  
It ain't the aliens at the foot of my bedIt's more the ale inside my head  
I got a feeling something's cookingScience friction burns my fingers  
Electricity still lingers  
Hey put away that ray  
How do you Martians say, "I love you"?I read my comics from front to back  
I'll be ready for any attack  
I got a feeling someone's looking
