

Why Wait

Rascal Flatts

What'd you say girl we do somethin' crazy
Quit putting it off, you know what I'm sayin'
Ain't like it ain't gonna happen, forever's a given
It's already written, who we kiddin' baby, c'mon
The stars can't line up any straighter
Let's do it now and think about it later

Why wait another minute
For somethin' we should've done yesterday
I know a little church
With a preacher who can hook us up right away
Love don't need a reason
Baby, I don't see how I could love you any more than I do today
So why wait

Now I love your mama, let's save her some trouble
And your daddy won't mind if we save him a bundle
Girl it just so happens that ring that you wanted
Well guess what, I bought it, it's in my pocket baby, c'mon
Let's get it done, let's get it on your left hand
This is me, girl, poppin' the question

Why wait another minute
For somethin' we should've done yesterday
I know a little church
With a preacher who can hook us up right away
Love don't need a reason
Baby, I don't see how I could love you any more than I do today
So why wait

Let's do somethin' crazy
As crazy as what you make me

Why wait another minute
Wait another minute, c'mon
I know a little church
With a preacher who can hook us up right away
Love don't need a reason
Baby, I don't see how I could love you any more than I do today

So why wait

Why wait

What'd you say girl we do somethin' crazy
