

Fair Weather Faith

Extreme

 Pretending to act so serene
 On your so called submissive knees
 A shopping list of begging pleas
Adds to your complacencies As soon as the sun don't shine your way
 And you're saving it all up that rainy day
It's a matter of time before you get down 'n' pray Fair weather faith - protect me from the storm
 Fair weather faith - gonna right all my wrongs
 Fair weather faith - you know I'm doing alright
Fair weather faith - out of mind, out of sight Well I wonder if the man upstairs
 Will bother to lend an ear
 If you took the time to share
Another one of your puppet prayers I ain't talkin' 'bout the weather
