

# Emperor (Chinese Emperor Remix)

## Marcy Playground

Ride my bike, I ride it everywhere  
Like a ghost sailing the road  
And oh, on my bike I'm the emperor All alone, safe in my room again  
Out the window staring at clouds  
And oh, in my room I'm the emperor In my life, I choose everything  
If you ask me, you're all the same  
And oh, in my life I'm the emperor One day I'll be gone  
You'll be just sitting there  
Wondering what happened to John Oh, oh, oh, I'm the emperor  
Oh, oh, oh, I'm the emperor  
Ooh, oh, oh, oh, oh yeah Loneliness  
Just when I thought it was over  
It started again Ride my bike, I ride it everywhere  
Like a ghost, I ride it everywhere
