

Think

James Brown

Think about the sacrifices that I made for you
Think about the hard times that were meant for you
Think about the good things that I've done for you
Think about the bad things I tried not to do Come on, children, yeah How much of all your happiness can I really
claim?
How many tears have you shed for which I was to blame?
Doll, I can't remember just what it brought
I tried so hard to please you , at least that's what I thought Come on, children, yeah Think
