The Rainbow

Trembling Blue Stars

I am the girl from your dream -
You know you know me.
I am the girl from your dream -
You've waited for me.
I'm out here waiting to fly,
Are you coming along?
Waiting to take to the sky,
Waiting for the storm.
And it's like the sky should fill with music,
The way they dance, dance across it,
The way they dance.
And look how dark the sky is getting,
Look how dark the sky is getting,
Look how dark.
Death or magic awaits,
I've got the courage it takes,
It takes.
"Over the rainbow."
