Trouble

Ray Lamontagne

Trouble
Trouble, trouble, trouble, trouble
Trouble been doggin' my soul
Since the day I was born
Worry
Worry, worry, worry, worry
Worry just will not seem to leave
My mind alone
Well, I've been saved by a woman
I've been saved by a woman
I've been saved by a woman
She won't let me go
She won't let me go now
She won't let me go
She won't let me go now
Trouble
Oh, trouble, trouble, trouble, trouble
Feels like every time I get back on my feet
She come around and knock me down again
Worry
Oh, worry, worry, worry, worry
Sometimes I swear it feels like
This worry is my only friend
Well, I've been saved by a woman
I've been saved by a woman
I've been saved by a woman
She won't let me go
She won't let me go now
She won't let me go
She won't let me go now
Oh, ah, oh
She good to me now
She gave me love and affection
She good to me now
She gave me love and affection
I said I love her
Yes, I love her
I said I love her
I said I love

She good to me now
She good to me
She good to me
