

# Trouble

Ray Lamontagne

Trouble  
Trouble, trouble, trouble, trouble  
Trouble been doggin' my soul  
Since the day I was born  
Worry  
Worry, worry, worry, worry  
Worry just will not seem to leave  
My mind alone  
Well, I've been saved by a woman  
I've been saved by a woman  
I've been saved by a woman  
She won't let me go  
She won't let me go now  
She won't let me go  
She won't let me go now  
Trouble  
Oh, trouble, trouble, trouble, trouble  
Feels like every time I get back on my feet  
She come around and knock me down again  
Worry  
Oh, worry, worry, worry, worry  
Sometimes I swear it feels like  
This worry is my only friend  
Well, I've been saved by a woman  
I've been saved by a woman  
I've been saved by a woman  
She won't let me go  
She won't let me go now  
She won't let me go  
She won't let me go now  
Oh, ah, oh  
She good to me now  
She gave me love and affection  
She good to me now  
She gave me love and affection  
I said I love her  
Yes, I love her  
I said I love her  
I said I love

She good to me now

She good to me

She good to me
