

# What's Your Story Morning Glory

## Ella Fitzgerald & The Marty Paich Orchestra

What's your story, morning glory? What makes you look so blue?

The way that you've been acting I don't know what to do

For I love you, sure as one and one makes two What's your story, morning glory?

Got a feeling there's a lot you're concealing

So, won't you tell me that you love me too? What's your story, morning glory? You've got me worried too

A postman came this morning and left a note for you

Did you read it? Then you know that I love you What's your story, morning glory?

If I guess it darlin', will you confess it?

Oh, won't you tell me that you love me too?

Oh, won't you tell me that you love me too?

What's your story, morning glory?
