

Two Faces Of Eve

Heart

Where have I been
I looked the other way
Everybody says things about you
Everybody got real bad things to say
Where was my head
I must have been high up this time
See, talking to you
Look what you do
Working all the phone lines
Walking around inside my shoes
When I was cold
You came on a hundred degrees
Dawn is breakin'
Before my eyes
A snake's been livin'
In my paradise
Surprise, surprise, surprise
How I believe
The heart on your sleeve
See the two faces of Eve
See the two faces of Eve
And now I see
It all comes clear to me
And now I see
It all comes clear
Dawn is breakin'
Before my eyes
A snake's been livin'
In my paradise
Surprise, surprise, surprise
How I believe
The heart on your sleeve
See the two faces of Eve
See the two faces of Eve
