

Foolish

Ashanti

See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you Baby, I don't know why ya treatin' me so bad
You said you loved me, no one above me and I was all you had
And though my heart is eating for you, I can't stop cryin'
I don't know how I allow you to treat me this way yet still I stay? See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you Baby, I don't know why ya wanna do me wrong
See when I'm home, I'm all alone and you are always gone
And boy, you know I really love you, I can't deny
I can't see how you could bring me to so many tears
After all these years? See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you Ohh, I trusted you, I trusted you
So sad, so sad what love will make you do
All the things that we accept, be the things that we regret
To all of my ladies, who feel me come on sing with me See, when I get the strength to leave you
You always tell me that you need me
And I'm weak 'cause I believe you
And I'm mad because I love you
So I stop and think that maybe
You can learn to appreciate me
Then it all remains the same that
You ain't never gonna change
Never gonna change, never gonna change See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more

I keep on runnin' back to you See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on runnin' back to you Baby why you hurt me, leave me and desert me?
Boy, I gave you all my heart and all you do is tear it up
Looking out my window, knowing that I should go
Even when I pack my bags this something always hold me back
