

# The new flesh

## Kasan

If I should fall down would you wait for me  
If I was out would you be home  
If I should pray, then would you pray with me  
If I fell in love would I be in love alone?  
This isn't half of what I thought it'd be  
at what point does love become routine  
I had to wait, I had to wait, I had to wait to see  
That who you are is not who I hoped you'd be  
Now I don't know where to go  
I don't know if this beats still working  
my hearts not beating anymore  
and I don't know If I bleed  
test it out just to see  
cos the best that I can hope to be  
is strong enough to leave  
I never lived and died by ecstasy  
Funs never been my cup of tea  
but now I try, but now I try, but now I try to be  
the best I can for noone else but me  
Now I don't know where to go  
I don't know if this beats still working  
my hearts not beating anymore  
and I don't know If I bleed  
test it out just to see  
cos the best that I can hope to be  
is strong enough to leave

Your such a shame love  
What those animals say to ya  
Your such a shame love  
What those animals say to ya  
Your such a shame love  
What those animals say to ya  
What they do when they came for ya  
just think it through  
you never learn what not to do  
such a shame love  
What those Animals say to ya  
What they do when they came for ya

just think it through  
you never learn what not to do  
a shame love  
Your such a shame love  
a shame love  
Now I don't know where to go  
I don't know if this things still working  
my hearts not beating anymore  
and I don't know If I bleed  
test it out just to see  
cos the best that I can hope to be  
Now I don't know where to go  
I don't know if this things still working  
my hearts not beating anymore  
and I don't know If I bleed  
don't know if this things still working  
the best that I can hope to be  
is strong enough to leave
