## Jaden Smith

i am the last one in intelligence the swag comes intelligence i blessed apon you and thats just what you learn  
from thease jets fondue ill hand in the bill but the rest is on you jaden is the true yes im onto the nextess msfts is  
so reckless im on the stage care less with set this is because you aint put me on it and imma diss you if you try  
to put me on it said i used to be so sweet put a cookie on it jaden stop playing games im just playing hockey  
honest and i just wanna be so tight with the girl of my dreams to continue this love life cause it took alot of pain  
to get here and gon be gone by this time next year
