## **Traffic Jam**

## **James Taylor**

(chorus)

Damn this traffic jam
How I hate to be late
It hurts my motor to go so slow
Damn this traffic jam
Time I get home my supper'll be cold
Damn this traffic jam
Well I left my job about 5 o'clock
It took fifteen minutes go three blocks
Just in time to stand in line
With a freeway looking like a parking lot
- chorus -

Now I almost had a heart attack Looking in my rear view mirror I saw myself the next car back

Looking in the rear view mirror 'bout to have a heart attack

I said

- chorus -

Now when I die I don't want no coffin
I thought about it all too often
Just strap me in behind the wheel
And bury me with my automobile

- chorus -

Damn...

Now I used to think that I was cool Running around on fossil fuel Until I saw what I was doing Was driving down the road to ruin
