

I Didn't Know About You

[Hilary Kole](#)

If they would ask me, I would say
I have had a thrill or so,
But that goes back to yesterday,
A long time ago! I ran around with my own little crowd,
The usual laughs, not often but loud,
And in the world that I knew
I didn't know about you. Chasing after the rain on the merry-go-round,
Just takin' my fun where it could be found,
And yet what else could I do?
I didn't know about you.
Darling, now I know I had the loneliest yesterday,
Every day in your arms I know for once in my life, I'm living. Had a good time every time I went out,
Romance was a thing I kidded about,
How could I know about love?
I didn't know about you. Darling, now I know I had the loneliest yesterday,
Every day in your arms I know for once in my life, I'm living.
Had a good time every time I went out,
Romance was a thing I kidded about,
How could I know about love?
How could I know it was true?
Until I opened my eyes,
I didn't know about you!
