

# One Silver Dollar (from "the River of No Return")

**Marilyn Monroe**

One silver dollar  
Bright silver dollar  
Changing hands  
Changing handsEndlessly rolling  
Wasted and stolen  
Changing hands  
Changing handsSpent for a beer he's drinking  
Won by a gamblers lust  
Pierced by an outlaw's bullet  
And lost in the blood red dustOne silver dollar  
Worn silver dollar  
Changing hands  
Changing handsLove is a shining dollar  
Bright as a church bell's chime  
Gambled and spent and wasted  
And lost in a dawn of timeOne silver dollar  
Worn silver dollar  
Changing hearts  
Changing lives  
Changing hands
