

# Love Street

## The Doors

She lives on love street  
Lingers long on love street  
She has a house and garden  
I would like to see what happensShe has robes and she has monkeys  
Lazy diamond studded flunkies  
She has wisdom and knows what to do  
She has me and she has youShe has wisdom and knows what to do  
She has me and she has youI see you live on love street  
There's this store where the creatures meet  
I wonder what they do in there  
Summer Sunday and a year  
I guess I like it fine, so farShe lives on love street  
Lingers long on love street  
She has a house and garden  
I would like to see what happensLa, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la
